

CL-240

3-IN-1 Portable Air Cooler, Ice-Chest and Bluetooth Player

Cooler® is the world's first 3-in-1 portable air cooler designed to keep you and your refreshments cool wherever life takes you. The compact and rechargeable CL-240 is perfect for golfers, campers, pilots, boaters, or anyone else looking to stay cool in hot weather. This proven, take-it-anywhere soft sided cooler is sure to become your favorite piece of gear for all of your recreational adventures.

The Cooler CL-240 is equipped with dual high speed fans and multi-directional air flow nozzles that provide a refreshing blast of ice-chilled air for maximum cooling relief. Simply fill your Cooler with ice cubes or reusable packs and a little water, turn it on, and enjoy. The CL-240's temperature management system offers two cooling options; ambient air cooling that uses the chilled air inside the cooler for instant cooling relief, or recirculating water cooling that features a micro size water pump matched with a heatsink and heat exchanger for maximum cooling performance. Use the included

SKU 5150019

Cooler air amplifier attachments to produce an even higher velocity of air flow! Every Cooler is equipped with weather-resistant, Bluetooth stereo speakers that let you instantly stream your favorite music, radio, or podcasts from your mobile device for on the go entertainment. Imagine having a cold drink in one hand, a snack in the other, and a chilling breeze surrounding you wherever you go. Make it a reality with the Cooler!

CL-240 FEATURES
